

REMARKS

The need to amend the claims as to form has been detected. The required corresponding changes in claims 35 and 46 are made herewith.

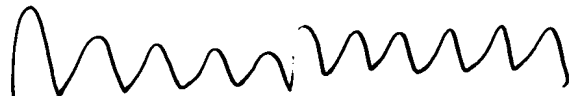

As the propriety of these changes under the provisions of Rule 312 seem to be unquestionable, entry of the present amendment is believed clearly to be in order and the same is respectfully requested.

In the event that there are any questions relating to this amendment or to the application in general, it would be appreciated if the undersigned attorney would be contacted so that the issuance of the Letters Patent may be expedited.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
